HISTORICAL NOTES

DID YOU KNOW---

- Griffith is known as "the town that came to the tracks. Five railroads cross at Broad st.
- The first railroad (Joliet Cut Off) came through Griffith in 1854.
- Early abstracts show that on January 20, 1854 the first settlers were James Hoffman and Jacob Helfen.
- In 1884 Peter Young, a railroader, bought an acre of land on south Broad st, where Margaret's Restaurant is now located.
-
- Griffith was incorporated in 1904. Town business was conducted out of Harkinrider's Hall until 1912, when the present town hall was built at a cost of \$4,853.
- Harkinrider's Hall was a log building and stood where the Sam B Woods Library and Stop and Shop Grocery now stands, on the S.E. corner of Main and Broad.
- The first town board members were Peter Govert, Mathies Grimmer and Moses L. Toohill, president. Matt J Beiriger was the town clerk. Population:200
- In Sept. 1906 the town board voted to have 2 signs painted, one to be at the north and one at the south corporation limits, stating that the speed of autos through town should be limited to 8 miles per hour.
- First group of volunteers from the town for the army in World War I included: Don J Chalfant, William Miller, Charles Miller, Frank Miller, Lorin Clark, Justin de St Aubin, Charles McFarland, Peter Osborne, Thomas McNanny and Lawrence de St Aubin.

DID YOU KNOW --Cont

- In 1920 the town board felt the chemical wagons which were used as fire protection were inadequate. The town purchased a Reo combination chemical and hose truck at a cost of \$3,750. An organized fire department was started in 1921 with a salary for its 30 members.
- In 1937 the state highway dept took over Broad st and made it state route 73.
- In 1969 the state highway dept gave Broad st back to Griffith to maintain.
- Town officials in 1939 included James Phillips, Mat VixConte, Harry Govert, Peter Lolkema and Victor Rutledge, board members. Adolph Penning, clerk-treas.; Claude Patterson was Marshal and water works supt., Cecil Paul was street commissioner; Robert McFarland, fire chief and Clarence DeReamer, electrical inspector.
- Griffith's animal shelter was dedicated in 1964 to the memory of the late Lt Tex Minter of the Griffith Police Dept. Minter did much of the original work on the shelter. When he was killed in a train-auto crash, the Jaycees took over the project. It was destroyed in a tornado in 1966, but was rebuilt by the Jaycees.
- Credit for a good start on compiling the history of Griffith is due the Griffith and Yo-Ho Garden Clubs. In 1959 their work was compiled by Mrs Marge Tovey. Copies are available on loan from the Griffith Library.
- The full history of the town of Griffith has not been written yet. Each part of the town's past, the schools, the churches, the civic organizations, the the town government, parks, and railroads, could result in a volume in itself.
- It is hoped by the compilers of this 1970-72 Griffith Directory, that the information recorded will be of historical value in the years to come, and that others may be inspired to an interest in learning more about the town's past.
- Anyone interested in forming a Griffith Historical Society may contact the Griffith Directory P.O. Box 15 Griffith, Ind.

GRIFFITH POLICE

The Griffith Metropolitan Police Department was established in 1956.

At that time there were five men on the force, William Kussmaul Sr., marshall, Tex Minter, George Phillips, Robert Herod and Richard Fortner.

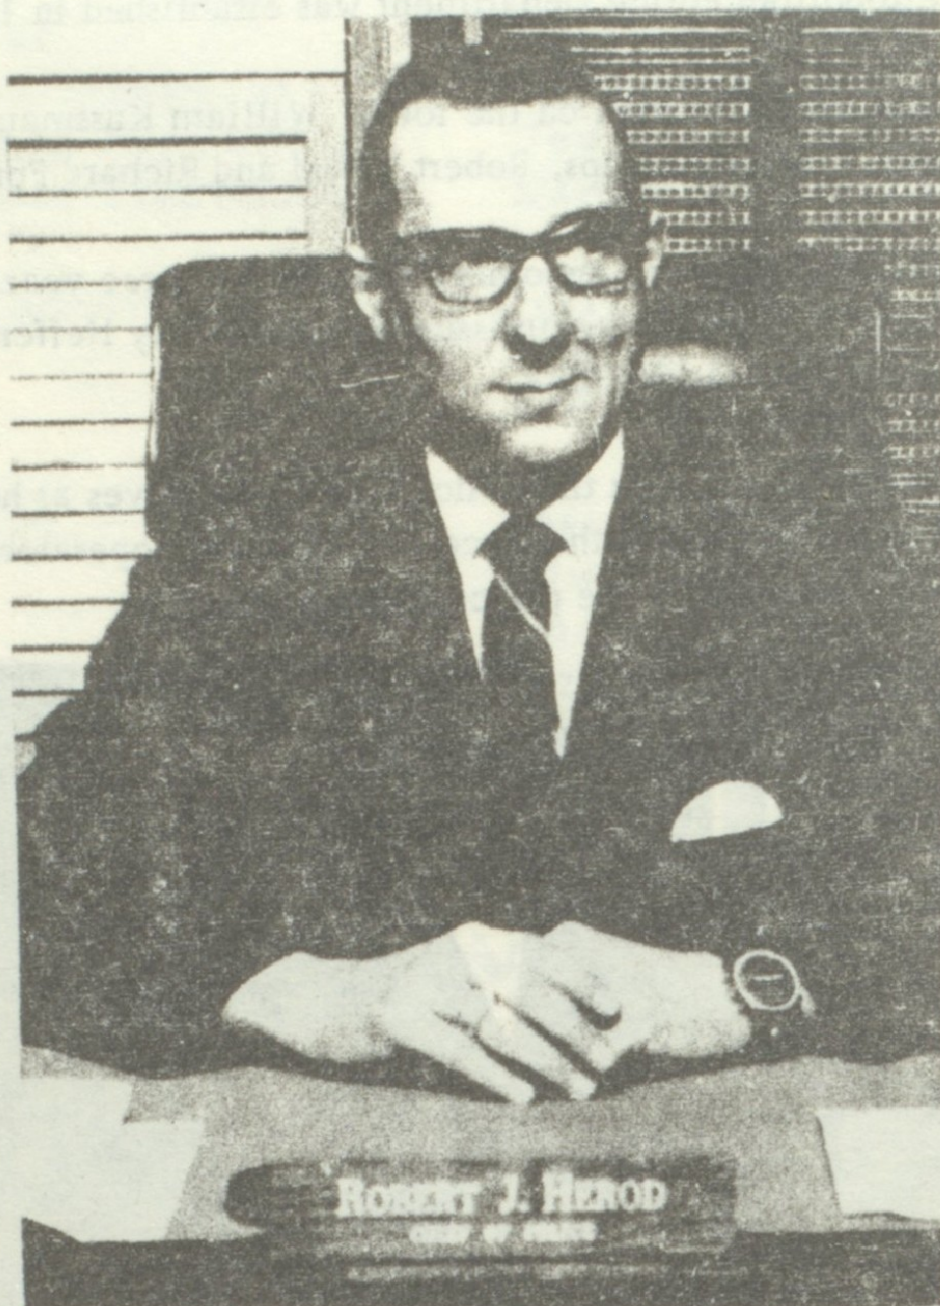

Three police commissioners are appointed to serve for three year terms by the town board. The first police commission included Jerry Heffeman, Mrs. Josephine Currier, and Haskel Hoak.

The Police Commission appoints the Police Chief who serves as head administrator for the 16 members of the force and four radio operators. Adult school patrols are also under the police department.

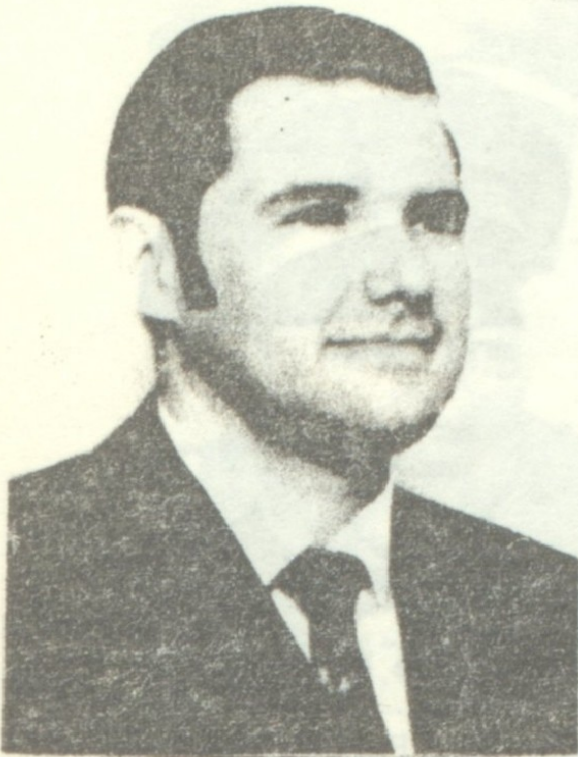

Police Commissioners: Frank Malone, George Lundie and Jerry Heffeman, chairman.

The commission meets at 8 p.m. the first Monday of each month at the Police station.

A number of adult crossing guards are provided by the town to assist in traffic control near schools where youngsters need help in crossing the busy intersections. These guards are on duty before school, at the noon hour, and after school.

Crossing guards employed for the 1969-1970 year include:

Hazel Harmon

Gloria Theresa Govert

Patricia A Sullivan

Imogene Richie

Albert Mikuta

Delores Zick

Carolyn D Kesler

Sharon Dertow

Joseph S Rajcsak

Adreanna Wright

William "Pop" Swinger, crossing guard for several years at Franklin School, passed away in 1969 following a heart attack.

School patrol boys also help with traffic control near the schools. Equipment for the school boys is furnished by the Lions Club, who also sponsors an annual appreciation dinner for both the student and the adult guards.

INFORMATION ABOUT FIREMEN

HOW FIREMEN ARE ELECTED

Because there is always a long list of qualified men waiting to become firemen it is often years before they come up for consideration, then they must compete with several others. The final decision lies with the firemen as to who is chosen, this is done by ballot. Firemen must serve a probationary period before becoming a regular.

TRAINING AND DUTIES

All firemen are trained in Life Saving, this includes the proper usage of the inhalator, resuscitator and aspirator. Training over 1000 hours a year is not unusual. Beside fire fighting, the fireman's duties include inspecting buildings and working with the community in fire prevention. This usually includes talks to schools, distribution of literature, encouraging visits to the station and teaching people to clean out any trash from homes, garages, and yards. Every fireman must serve on they're own clean up committee, this is to keep the equipment in first class order and all "shined" up ready for public inspection. A local volunteer fire department is ready to fight fires through out the county if needed.

RADIO AND FIRE PROTECTION

Radios are used in the fire trucks and are connected with a system at the main firehouse and police station. Also inter-communication so that units are in constant touch with each other. This system is also connected with the fireman's house so that he may go direct to the fire, if the trucks have left the station. This also alerts the firemen if a new fire has occurred while they are out. With this system the firefighters are on the scene just minutes after the alert.

THE GRIFFITH FIRE DEPARTMENT is made up of men from our town who wish to serve their community. These men have worked long hours using their many and varied talents building up a Fire Department second to none. The firemen spend hours drilling, repairing and rebuilding the old equipment without costing the town a cent of tax money. The only aid they receive is strickly voluntary coming from organizations who raise money and donate equipment. The rest of the money to operate the department comes from the sale of tickets to the Fireman's Ball.

Plan to attend the FIREMAN'S BALL which is held every July at the Griffith High School.

The above information was obtained from the Lake County Directory and the Griffith Directory.

VOLUNTEER GRIFFITH FIRE DEPARTMENT

Organized in 1907

Griffith Fire Equipment includes, one aerial truck, four pumpers, one rescue truck, one first aid ambulance and a chief's car. The Department is rated Class 7 and has an annual average of 200 fire calls.

BOARD OF SCHOOL TRUSTEES

Three school trustees are appointed by the town board. The men serve three year terms. One new appointment or reappointment is made each year, so there will be at least two experienced school board members at all times.

School Trustees for 1970 are:

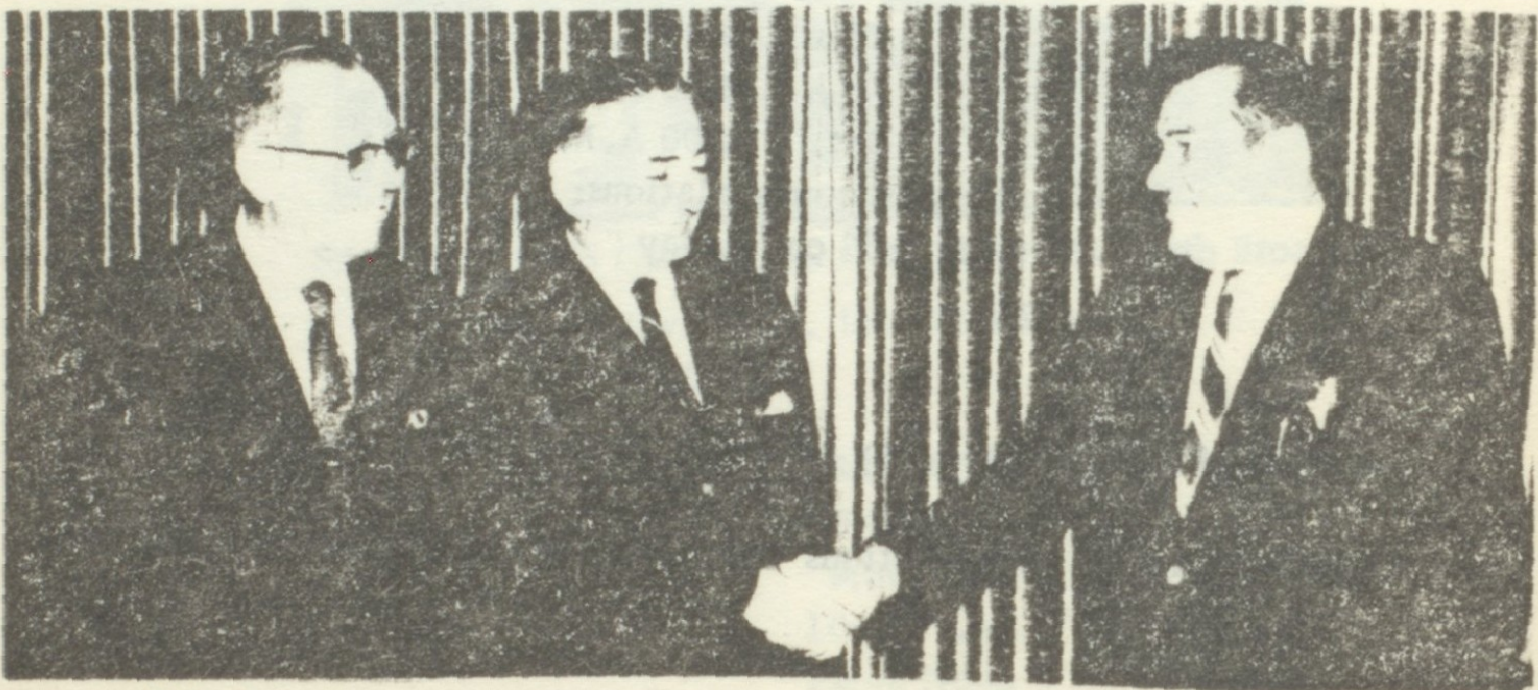

Raymond L Underwood, President

Milford P. Christianson, vice president

Harvey A Fountain, secretary

William Muha, school attorney

School Board Meetings are held the first and third Thursday of each month at 7:30 P.M. in the School Board room, located on the second floor of 132 N Broad (Administration Building). Meetings are open to the public.

Milford P Christenson, Raymond L Underwood and Harvey A Fountain

ADMINISTRATION BUILDING

The administration building for the Griffith Public Schools was purchased in June 1965.

The first floor is leased to a local business until such time as it might be needed, for additional office space.

The office of the Superintendent, Administrative assistant, Curriculum Director, and a large school board meeting room are located on the second floor of the building.

Prior to the purchase of the downtown building, the central office was located in the Franklin School, 200 North Broad st.

Griffith Library, one of 14 community libraries in the Lake County system has a full and equal status as a library, but cooperates within the larger organization to bring citizens in suburban and outlying areas library service comparable to that of a city with branch libraries. Griffith Library has a multi-purpose meeting room which is available to community groups and organizations. Outstanding contributions of money, furniture and equipment for the library has been provided by various groups and individuals in the community. Any resident, property owner or student in the Lake County service area may borrow books and library materials free after registering and receiving a library card.*

- Historical notes were compiled from town minutes and documents on file in Griffith Library.
- A special file drawer contains: pictures, newspaper clippings, old letters, historical notes etc.
- The Library would appreciate the donation of any old news items, pictures etc., that could help to record the town's history.

GRIFFITH, IND.

The main purpose of The Griffith Shopper is to be of service to the community of Griffith.

The Griffith Shopper is a free, advertising publication, established in 1941, carrying civic, school and church news. It is delivered by mail to every home and business in the trading area at the right time for weekend trade.

It is looked for and read regularly by those who buy and want to know when and where they can get the merchandise and service they want at the price they can pay.

Each ad is given individual attention and has "ad appeal".

Rates have always been kept at the lowest possible minimum.

The Griffith Shopper is Your Paper - Read It and Use It!

CHAMBER OF COMMERCE

The Griffith Chamber of Commerce was organized for the purpose of rendering service to the nation and business community.

All Griffith businessmen and women, professional men and women and industrialist are encouraged to hold membership in the organization and to participate in joint efforts to promote the town of Griffith,

Jaycees

The Griffith Jaycee's are young men between the ages of 21-36 who are concerned about the needs of their community.

GRIFFITH JAYCEE'S participating in 4th of July Parade, distributing Patriotic Brochure

Since establishing their charter in 1958 the Griffith Jaycees have been dedicated to developing leaders through continued community service.

Some of the projects they have brought forth and completed are:

- The completion and then later the rebuilding of the Tex Minter Dog Shelter.
- Painting of the Schools crossing walks.
- Donated riot helmets to the Griffith Police Department.
- Donated Language machines and posters to the schools.
- Park signs
- Flag holders to be put on the light poles (merchants are purchasing American and State flags) this is a community spirit project to make Broad Street a street of flags.
- Raising money to Make Griffith a Christmas Town, this is another community project. (see next page)
- Helping Hand
- Jaycee Tot Park equipment.

The above is but a few of the many projects of the Jaycee's. Some of the sustaining yearly projects are:

Juniour Swim, Fly-in, Easter Egg Hunt, Halloween and Christmas activities, Cub Scout Pack Sponsorship, Junior Champ Scholarship Award and many more.

"Our Spirit

MAKE GRIFFITH A

CHRISTMAS

TOWN

To the People of Griffith,

Let's combine our Community Spirit with that of Christmas. Although a person cannot be judged by appearance alone, a town, in many ways can. Why not give GRIFFITH that Holiday appearance in 1970?

If we are to have a community tree and the Christmas Spirit prominently displayed on the streets in 1970, Your help is needed THIS year. Let's set our goals now! We need to buy our displays and not rent them. Well constructed and lasting street decorations need to be ordered far in advance of the Holiday Season. This can not come about in one year due to the tremendous expense... but must be added to year after year. We need the continuous support of our merchants. We also need the support of our industry, organizations- and YOU.

Give to our COMMUNITY CHRISTMAS FUND.

Sincerely,

Gale Riggle
Griffith Jaycees

You may place your donations in cans provided in Griffith businesses or you can take it to the GARY NATIONAL BANK and have it put into the account of the COMMUNITY CHRISTMAS FUND.

• romantic

Much more than bricks, mortar and floor plans . . . the essence of residing in a lovely apartment-home in Mansards-North is a very special feeling akin to romance! So many couples have actually "fallen in love" with this place.

Your way of life changes subtly. Candlelight dinners occur. Your friends and relatives visit you with new respect for your good taste.

It's great!

THE MANSARDS *North*

NOW LEASING: 1, 2 and 3-bedroom luxury apartments, some with fireplaces.

I have an insurance plan that can do more than protect your family.

IT CAN PROVIDE RETIREMENT INCOME.

It's Prudential's 2-Way Protection. This plan can protect your family now — when they need protection most. And, later, it can pay you a retirement income for life. For details on the plan that does two jobs call me.

NEW ELLIOTT

ST JOHN TOWNSHIP

NEW ELLIOTT

New Elliot is an unincorporated area directly south and east of Griffith. This are, originally farmland, is bound on the north by Avenue H, the east, three-fourth of a mile east of the Erie Railroad tracks, the south by the new Lincoln Highway (Route 30) and the west by Cline Avenue.

In 1940, Lucian Bratcher, owner of the Love farm, subdivided it into one and five acre tracks. D. B. Duskin was the real estate agent. Later other lands were added.

The main highway through this community is the old Saulk Trail and was traveled by the Indians, explorers, and early settlers in the Calumet Region. This trail is now the old Lincoln Highway (Route 330)*

The name of New Elliott was taken from the Elliott Milk Stop located at the underpass and the Erie Railroad. This was in the late 1800's and early 1900's when the farmers shipped their milk by train to Chicago.

Today New Elliot is a fast growing community with many new Churches, businesses and homes being built.

NEW ELLIOTT FIRE DEPARTMENT

1101 Highway 330

Phones

Business 322-5351 -Emergency 322-5656

CHIEF Bernie Jostes, Secy	LT. Roger Meyers
ASST. CHIEF Bob Adams	LT. William Howe, Treas.
CAPT. Ike Hamilton	LT. Gordon Fields
CAPT. Jim Smith	LT. Bob Grodetz
CAPT. Herb Cox	

In April, 1947 ten men of the community gathered in a neighbor's house and plans for a Volunteer Fire Department were started. In May of that year fifteen men met and Joe Scherer who was Chief of the Hammond Fire Dept. was guest speaker and advised the men how to organize a VFD.

In 1948 New Elliot received a charter from the State of Indiana making them an official Volunteer Fire Department with a membership of 55 men and \$600.00 aquired through little fund raising programs. A 1927 Stutz Fire Truck was purchased from a salvage yard. Howard Cooke was elected the first Chief.

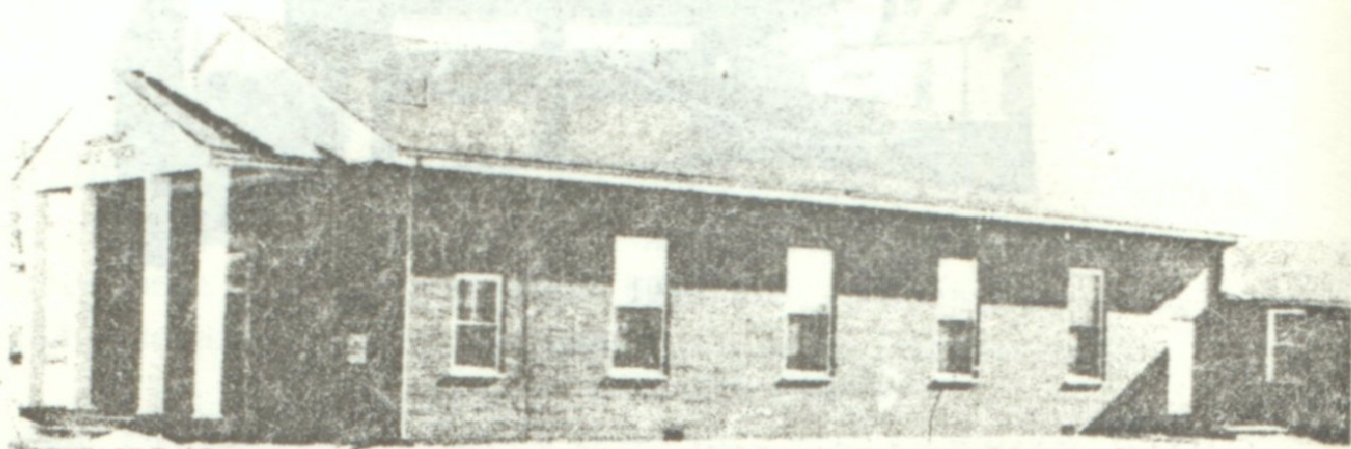

In 1949 the Fire Station was built and dedicated with a program and guests speakers from Gary and Schererville and many other fire departments officials from the area were present.

The Department now has 2 large pumpers, one small pumper and one emergency truck. There are now 22 Volunteer Firemen serving the Department.

In closing it should be clarified that from the start of the New Elliott Volunteer Fire Department which started from scratch and a will to progress, the accomplishment was achieved due to people whose names are not mentioned along with those that are. The aid of a women's auxilliary who in the early years had so much to do with the raising of fund which the dept. depended so much on to get started. The aid of neighboring departments especially Griffith, Schererville and Lake Hills means a lot for which we are all very appreciative of.

Chief Bernie Jostes
